Dear Mr Johnson

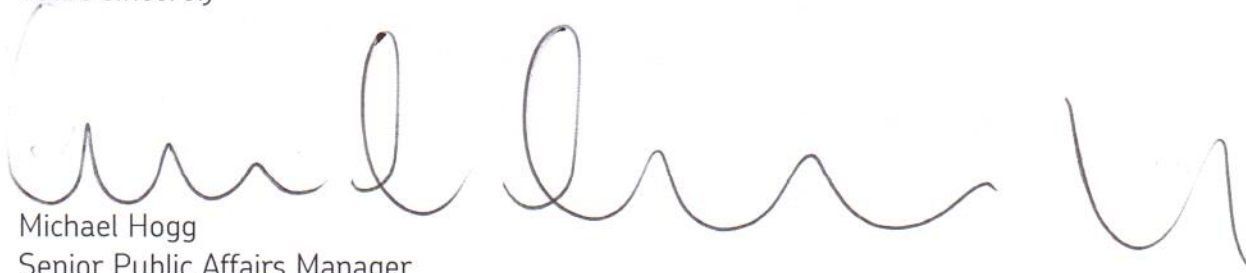

I am writing further to our previous correspondence in relation to the insertion of Yiewsley in some of you constituents' addresses in your Uxbridge and South Ruislip constituency.

Following conclusion of the consultation and with only 64 objections from the 4,175 addresses consulted the proposal to insert Yiewsley into these addresses has been successful.

I have been advised that changes have been made on the Postcode Address File® (PAF®) and our postcodes on-line service at www.royalmail.com. Those customers whose address will change are in the process of being notified.

I trust this will be good news for you and local residents. As always if I can be of any further assistance please do not hesitate to contact me.

Yours sincerely

Michael Hogg
Senior Public Affairs Manager
