## Uxbridge & South Ruislip

### My priorities for Uxbridge & South Ruislip

- 1 I will put residents first and make their voices heard
- 2 I will support residents against HS2 disruption
- 3 I will protect our area from over-development

## A personal message from Boris JOHNSON

I am honoured to be the **Conservative candidate for this area**, and I believe my record of delivering for Uxbridge & South Ruislip as Mayor of London means as a resident, you can be confident that I will work tirelessly to represent your views on the issues you care about most.

Our area already has a strong local team of Conservative councillors running Hillingdon Council and like them, I will always work in your interests.

If you elect me as your MP I will always represent the views of the residents of Uxbridge & South Ruislip.

## No to Heathrow expansion

In May 2013, Hillingdon Council conducted a borough wide referendum asking residents a very straightforward question: "Should a third runway be built at Heathrow?" In the constituency of Uxbridge & South Ruislip, 70% of voters said 'No'.

Conservative Parliamentary candidate Boris Johnson is a vocal opponent of the third runway and believes there are better options available for aviation expansion. A third runway would be followed inevitably by a fourth and massively more noise and disruption in west London.

**Boris backs Hillingdon residents against Heathrow expansion**

Leader of Hillingdon Council, Cllr Ray Puddifoot, said "Throughout the years that we have been fighting to protect our residents and our environment from this potential disaster, Boris Johnson has stood shoulder to shoulder with us and continues to do so to this day."

## Boris backs local residents against HS2 disruption

As Mayor of London, Boris worked hard alongside Hillingdon Council leader Cllr Ray Puddifoot and his team to negotiate a tunnel solution after seeing for himself the impact on Hillingdon.

He has also welcomed the announcement that the Heathrow Spur will not be built as part of Stage 1 or Stage 2 of the project. Boris said, "Whatever happens, I am backing residents and the local campaign to mitigate the impact of HS2."

### 300 residents quiz Boris on local issues

More than 300 local residents quizzed Boris about local issues at a packed town hall-style meeting he arranged at the Ramada Hotel in South Ruislip. Boris answered questions about local housing, transport policy and policing in Hillingdon. The meeting was a huge success and Boris has taken up a number of the issues raised.

## Hillingdon Council Leader Endorses Boris Johnson

I have been the leader of Hillingdon Council for the last 14 years and I am proud of the great record of your local Conservative team here in Uxbridge & South Ruislip. We have cut wasteful spending to a minimum, and invested wisely in our roads, schools and town centres.

In Uxbridge & South Ruislip constituency we have benefited from the long service and hard work of Sir John Randall, who has worked as our Member of Parliament since 1997 and has retired at this election.

It is with great pleasure that I endorse Boris Johnson as the Conservative candidate for Uxbridge & South Ruislip constituency. During his time as Mayor, **Boris has worked relentlessly in the interests of Hillingdon's residents** and I hope you support him so he can renew his focus on our area as our Member of Parliament.
