A personal message from

# Boris JOHNSON

I am honoured to be the Conservative candidate for this area, and I believe my record of delivering for Uxbridge & South Ruislip as Mayor of London means as a resident, you can be confident that I will work tirelessly to represent your views on the issues you care about most.

Our area already has a strong local team of Conservative councillors running Hillingdon Council and like them, I will always work in your interests.

**If you elect me as your MP I will always represent the views of the residents of Uxbridge & South Ruislip.**
